

We Serve With Excellence

Consumers and Businesses alike have wanted a useful way to distinguish the honest and most competent professional service center from the run-of-the mill "repair shops". Now, there's a designation to make the conscientious, ethical, well-trained, well equipped service center stand out from the pack of "service shops"

Quality Since 1986

Since our founding in 1986,

Bryan Geis, President

has taken pride in offering competent quality service on the latest state-of-the-art electronic products. Our consumer service center was the first and only in the area to be factory trained on products ranging from Plasma TV, DLP Projections, LCD Projections, Projectors, compact discs, stereos, and camcorders to computers for a broad range of brands.

Let our experience work for you!
